YW	To talk to these attorneys, even if to your own attorney, is still very <i>tricky</i> . Hahaha. He/she insists on hearing some words directly from the mouth of a party. In fact, he/she already knew it and he/she has even worked in this direction already, but he/she still insists on hearing it directly from your mouth. Therefore, to talk to these attorneys, even if to your own attorneys, is still rather <i>tricky</i> . Um.	就跟这帮律师去对话，即使自己的律师也是很 <i>tricky</i> 的，哈哈。他/她有些话非要从当事人嘴里直接听到。其实他/她早就都知道，他/她甚至已经在这个方向上去工作了，但他/她非要从你嘴里直接听到这才行。所以说跟这帮律师，即使自己的律师对话也是比较 <i>tricky</i> 的。嗯。
